Internet Telephony Excellence Award

IPedge™ 2011 from Internet Telephony Magazine.

This award is very special as it is based both on the product features as well as a case study showing the benefits of the product in a real-life customer setting. In this case, the case study is Toshiba America Information Systems with its IPedge system being used by its 800+ users.

Customer Interaction Solutions Magazine

Call Manager for IPedge™ 2011 TMC Labs Innovation Award

This award honors products that demonstrate innovation, unique features and have made significant contributions in communications technology.

TMC Customer Interaction Solutions

Call Manager: 2011 CRM Excellence Award

This award is very special as it is based specifically on the improvements the winner's products have made in a client's business. Winners were chosen on the basis of their product or service's ability to help extend and expand the customer relationship, covering the entire enterprise and the entire lifetime of the customer.

TMCnet Communications Solutions

Call Manager: 2010 Product of the Year Award

This award acknowledges the most innovative products that facilitate voice, data and video communications, or combinations of them.

TMC Labs

Strata® Meeting: 2011 Unified Communications Innovation Award

Unified Communications Magazine

Strata Call Manager: Product of the Year Award

TMC's Customer Interaction Solutions Magazine

Strata Call Manager: 2010 Product of the Year

Nemertes PilotHouse Award

Named Top Provider in IP Contact Center Category: 2010
